

# Scale your success with Scalable Recycler

Fiona Page  
Executive Director  
Product Management

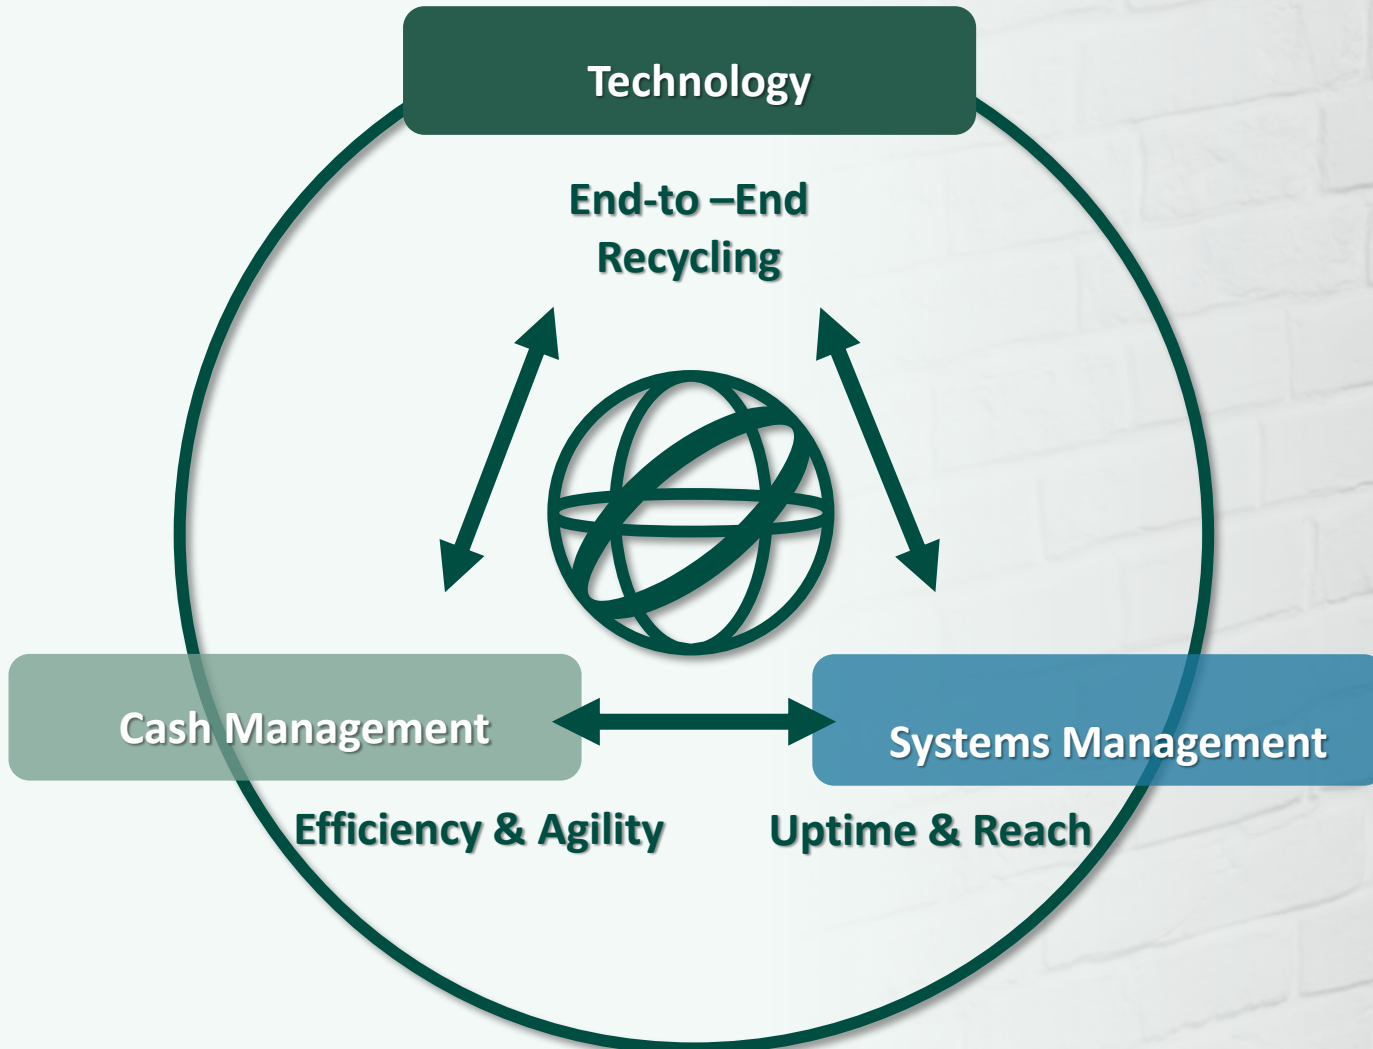

An aerial, top-down view of a dense urban area, likely a financial district, featuring numerous high-rise buildings, a central road with a roundabout, and various rooftop structures. The image is dark and serves as a background for the text.

**The Challenge  
Financial Institutions face today...**

**...inefficiencies throughout the cash ecosystem**

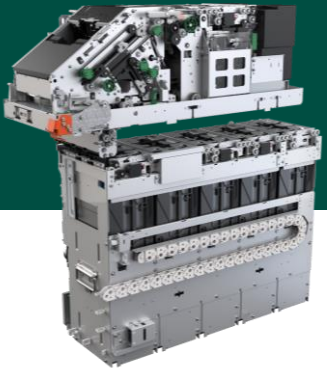

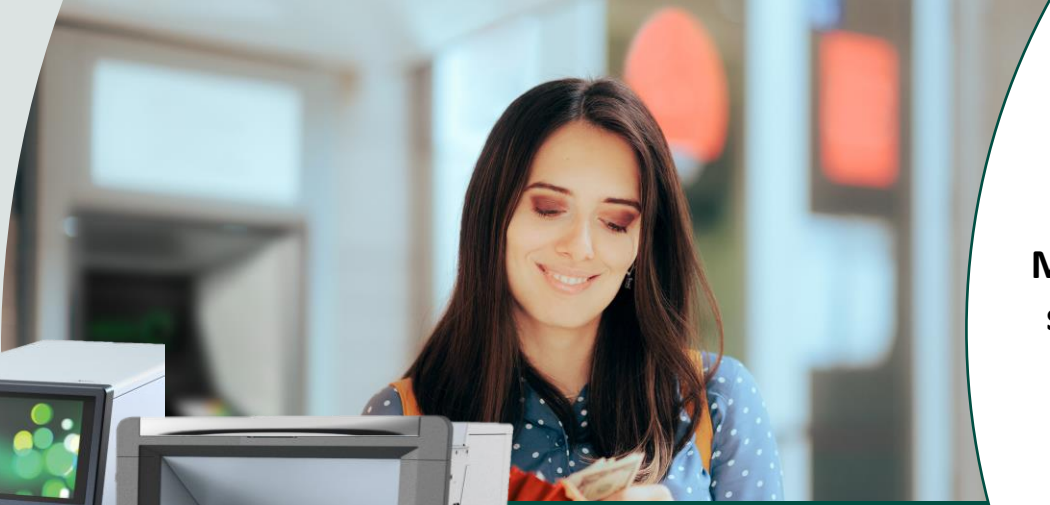

# How to Scale for Success?

**One** fully integrated Technology Platform

# NCR SelfServ™ 60 Series with Scalable Recycler

Digital-First Design

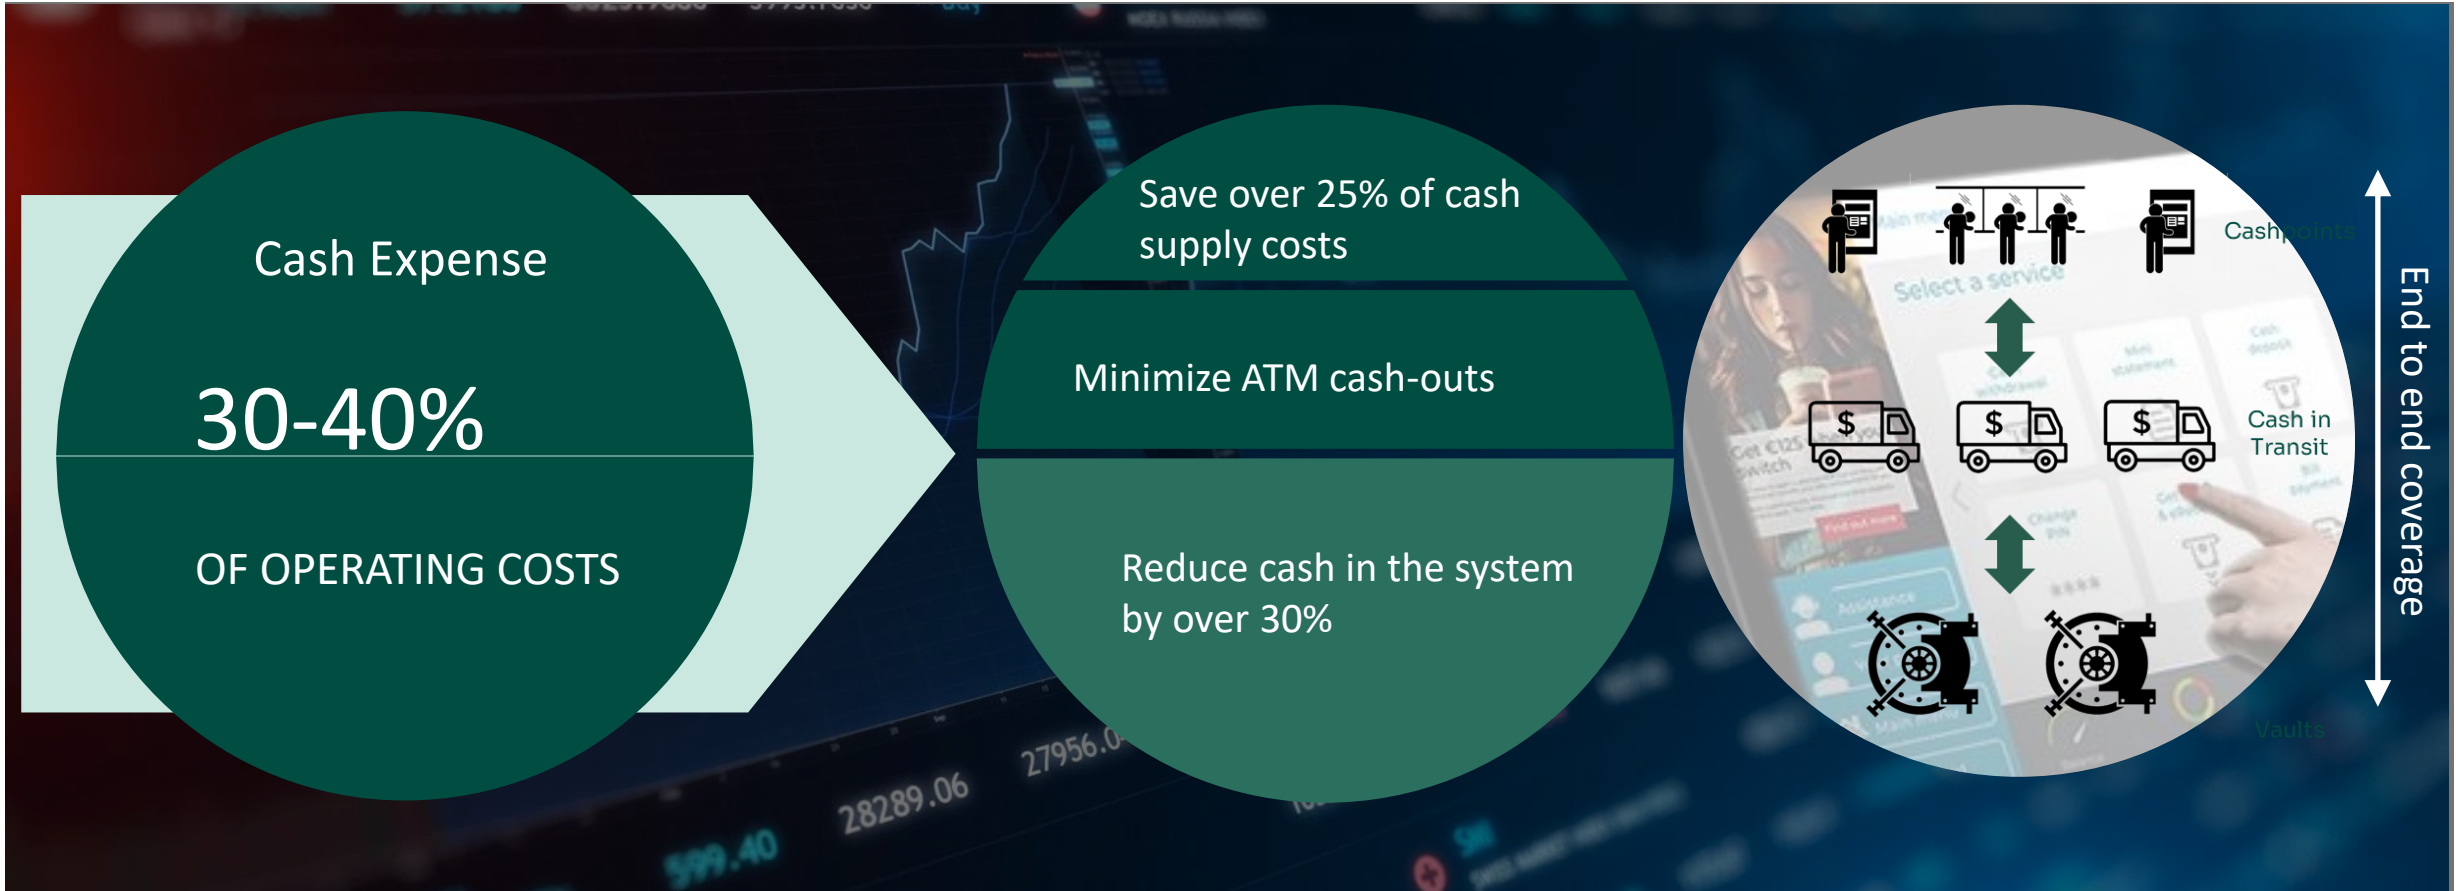

Driving efficiencies and exceptional customer experiences

# Cash Management

Maximize your potential

# ATM deployers spend too much on cash

ATM deployers spend up to:

- 30% more than they need to on CIT runs
- 37% more than necessary on ATM cash balances
- 27% more than needed on overall cash supply cost

And many are not aware of it....

# think differently about your cash supply chain

Automate cash  
distribution processes

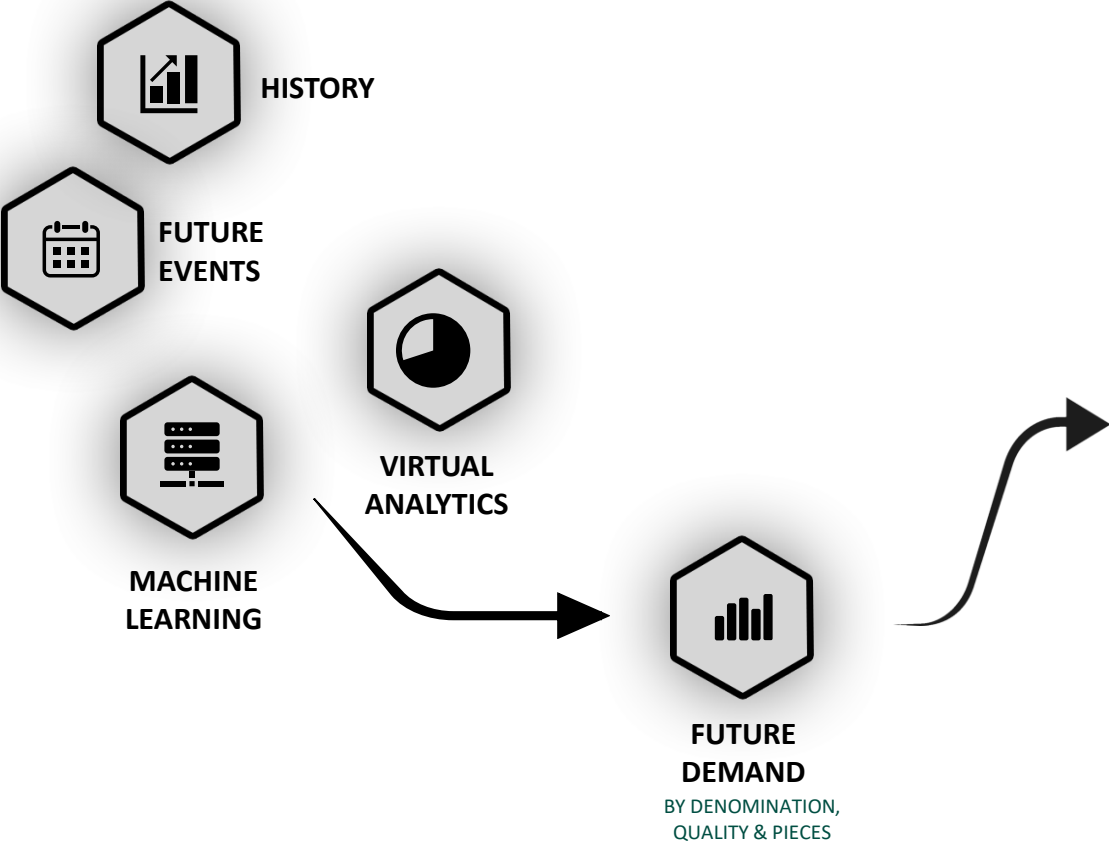

**Plan** your optimized  
retail/wholesale orders

**Execute** in the most effective  
manner

**Monitor** your  
daily operations

What if you could achieve a complete cash business optimization with a 360° view for improving profitability, creating operational efficiencies and maintaining regulatory compliance?
